WFPL, WFPK and WUOL**

Annual EEO Public File Report

The purpose of this EEO Public File Report (“Report”) is to comply with Section 73.2080(c)(6) of the FCC’s 2002 EEO Rule. This Report has been prepared on behalf of the Station Employment Unit that is comprised of the following station(s): WUOL-FM, WFPK-FM, and WFPL-FM and is required to be placed in the public inspection files of these stations, and posted on their websites, if they have websites.

The information contained in this Report covers the time period beginning to and including April 1, 2014 to March 31, 2015 (the “Applicable Period”).

The FCC’s 2002 EEO Rule requires that this Report contain the following information:

1. A list of all full-time vacancies filled by the Station(s) comprising the Station Employment Unit during the Applicable Period;
2. For each such vacancy, the recruitment source(s) utilized to fill the vacancy (including, if applicable, organizations entitled to notification pursuant to Section 73.2080(c)(1)(ii) of the new EEO Rule, which should be separately identified), identified by name, address, contact person and telephone number;
3. The recruitment source that referred the hiree for each full-time vacancy during the Applicable Period;
4. Data reflecting the total number of persons interviewed for full-time vacancies during the Applicable Period and the total number of interviewees referred by each recruitment source utilized in connection with such vacancies; and
5. A list and brief description of the initiatives undertaken pursuant to Section 73.2080(c)(2) of the FCC rules.

Appendices 1, 2 and 3 which follow have been designed, in the aggregate, to provide the required information. Please note that the numbers listed on Appendix 2 under the column entitled “Full-time Positions for Which This Source Was Utilized” refer to the number of the full-time job positions listed on Appendix 1.

For purposes of this Report, a vacancy was deemed “filled” not when the offer was extended but when the hiree accepted the job offer. A person was deemed “interviewed” whether he or she was interviewed in person, over the telephone or by e-mail.

Section 3: Supplemental (Non-Vacancy Specific) Recruitment Activities Undertaken by WUOL-FM, WFPK-FM, WFPL-FM

To ensure non-discrimination and foster full consideration of all qualified candidates whenever full-time job vacancies occur, we utilize the following recruitment procedures:

- Participation in other activities designed by the station to further the goal of disseminating employment opportunity information to job candidates who might otherwise be unaware of such opportunities: We work with employment services, including state employment agencies, which refer job candidates without regard to their race, color, religion, national origin, sex, age or disability. Some of these employment referral services are:
 - Kentucky Department of Employment Services
 - WorkForce Express – Indiana Workforce Development
 - Greater Louisville Works, Inc.

- Internship Program: When we recruit prospective employees from educational institutions, such recruitment efforts include schools and colleges with minority and female enrollments. Some educational institutions we contact for recruitment purposes include:
 - Bellermine University
 - University of Louisville
 - Spalding University
 - Sullivan University

- Participation in Job Fairs by Station Personnel: We participate in job fairs by station personnel who have substantial responsibility in hiring. During this reporting period we participated in job fairs at the University of Louisville and the Communications Fair at Bellermine University.
- Training Program for Station Personnel: We provide on-the-job training to upgrade the skills of our employees. We provided skills training for staff at the Kentucky Journalism Days workshop. The News Director and two news reporters took part in a two day course in June and an NPR workshop. Members attended the PRPD conference during September . Another member attended the Kentucky Public Radio J-Days seminar. Staff members received additional on-air training as part of an on-going performance review. Two members of our classical music station attended the Association of Music Personnel in Public Radio conference.
- Internship Program: We provide internships or other assistance to individuals, schools, or colleges in programs designed to enable qualified minorities and women to learn about various facets of the business and to compete in the broadcast employment market on an equitable basis.
 - We provide internships in 5 areas of study, actively seeking minority involvement by referral, contact with a wide variety of higher education institutions such as Kentucky State University and Jefferson Community College and contact with university organizations that emphasize ethnic and gender diversity. If the opportunity presents itself we hire qualified interns for paid positions. We offer classroom presentations on intern and volunteer opportunities throughout the community, affording a wide audience for this information.
 - There were 14 participants in this program during this reporting period. The participants were active between April and March.
- Participation in educational institutional programs/events relating to broadcasting careers: We provide high school apprenticeships in our newsroom drawing from schools that are located in Louisville. This internship program is also offered in marketing and membership services.
- Community Events (at least 2) to Inform and Educate Members of the Public about Broadcasting Careers: Louisville Public Media offers tours of the station to high school and college students, area Scout Troops, professional groups non-profits as well as other interested groups. We hosted six Scout Troops in this reporting period, four student groups, one professional group and two non profit associations.
